Hi Meg,

Here is the feedback I have on the pages. Thanks again for chatting today, and I hope this information helps and doesn't overwhelm! Have a wonderful weekend, and good luck on that deadline today!

Partners:

1. The list of organizations are below at the bottom of the page.

Sponsors:

1. Looks great. I have a few more sponsors and grantors, listed below.

DuPage Foundation, dupagefoundation.org
Whelan Builders, <https://whelanbuilders.com>
Esser Hayes Insurance, <http://esserhayes.com>
Republic Bank, <https://republicbank.com>
Rosseland Remodeling, <https://www.rosselandremodeling.com>
Presence Marketing, <https://www.pmidpi.com>
Carl Cho Real Estate, <https://www.southwesternreal.com/carl-cho>

Leadership:

1. Looks fantastic. I'll get you the other board members bios.

Food Growers:

1. In the box for payment, can you eliminate the description of benefits? It's listed above so I think it might clean it up a bit.
2. In the box instead of "or stop by the Resource Center", can you have "Or mail in this form with payment made out to The GardenWorks Project, PO Box 615 West Chicago, IL 60186." I've attached the form.

Home Gardens:

1. Instead of the stats for food insecurity, could we have our garden numbers?
314 gardens built since 2012
1214 individuals served since 2012
93 gardens built in 2018

Community Gardens: Nothing, looks fantastic!

Donate:

1. In the Monthly giving page, eliminate the info with \$20, \$50, \$100...

Sponsorships:

1. Can we have the "How to sponsor" section at the top and then the boxes of our sponsors below it. It'd like it more obvious in this section.

Volunteer: Nothing, looks fantastic.

Blog: Nothing, looks fantastic.

Newsletter:

1. My only comment is there is a check box that says "Do not publish this on the website." What does that mean? Is there another way of saying that or does it actually list the people that sign up?

Calendar:

1. Can we change the "brown" from Garden Builds to "Volunteer opportunities"
2. Can we change "workshop" to "events"
3. Can we eliminate the "fundraiser and network campaigns"?

Let me know if that all makes sense. Thanks again!

Jeannie,

Thanks for the prompt feedback. This all looks very reasonable.
If I've got any questions, I'll forward them Monday.

Enjoy your weekend also... may it include a reasonable amount of squash.

best,

meg studer
